

## **NEW ADVANCED TRAINING FOR REIKI MASTERS**

**Judy McCracken, REIKI Master Teacher**

### **REIKI MASTER SPECIALIST TRAINING FOR TEACHING CAREGIVERS**

**TBA - (One Day Training - 8 hours)**

***Prerequisite REIKI Master Training - (copy of certificate required with registration)***

**\$300 FEE**

**This new class contains information to help you understand specific target groups commonly needing special care. Learn about the challenges their caregivers encounter in trying to give them special care and how REIKI helps them do so. These caregivers include medical professionals, such as nurses, therapists, etc.; parents of special needs children; caregivers of loved ones with Alzheimer's Disease/Dementias and other chronic diseases; schoolteachers, etc. Learn to teach these caregivers REIKI classes tailored for their needs by REIKI RAYS. We have now taught 800 caregivers and still counting!!**

#### **CLASS CONTENT:**

- **Overview of the system for identifying and categorizing special needs children: Autism, learning disabilities, ADD, ADHD, hearing impaired, physically challenged, speech/language impaired, Tourette's Syndrome, vision impaired, cognitively impaired**
- **Instruction in teaching REIKI to various target caregiver groups**
- **Marketing your REIKI services to nursing homes and medical facilities**
- **Teaching REIKI in nursing homes and hospitals to staff and families**
- **Issues of informed consent**
- **Techniques for use of REIKI in schools and medical facilities when hands-on not permitted or appropriate**
- **Specific instruction on use of REIKI with those with Alzheimer's Disease/Dementias**
- **Overview of use of REIKI with Parkinson's, cancer, MS, diabetes, psoriasis, chronic diseases, headaches, etc.**
- **Teaching caregivers the importance of taking care of themselves**

**SUNDAY 9 A.M. to 6 P.M.**

**TBA**
